VACANCY

KARIKA is a Community Based Organization (CBO) duly established and validly existing under the laws of Kenya whose remit is to provide care and support to older persons to meet their physical, psychosocial and economic needs. Headquartered at Nairobi, Kenya, KARIKA is a network member of HelpAge International and co-implementing partner for the Better Health for Older Persons (BHOPA II) Programme. BHOPA II aims at contributing to better health, wellbeing and reduced burden of diseases among older persons. The BHOPA II Programme will ensure health systems are more inclusive, responsive and accountable to the health and wellbeing needs of older men and women, with a focus to those with chronic diseases and disabilities.

KARIKA seeks to hire a Project Officer. Reporting to the Director, the position holder will be based in Dagoretti, Nairobi and will be responsible for mobilizing and coordinating implementation partner level work, reporting, financial and programme Monitoring, Evaluation Accountability and Learning of the projects.

The ideal candidate should have Bachelors degree in community development, Public Health, Community Health, Nursing, clinical medicine or equivalent. Further a two years' hands on work experience preferably in an NGO environment implementing community, health and social protection programs. Experience supporting subawards is preferred.
